

***AUR would like to thank the following co-authors for their contributions to the 71<sup>st</sup> Annual Meeting. AUR's purpose is to encourage excellence in radiological laboratory and clinical investigation, teaching and clinical practice; to stimulate an interest in academic radiology as a medical career; to advance radiology as a medical science; and to represent academic radiology at a national level. We cannot meet our mission without the expertise of the radiology professionals listed below. AUR is proud to have them as a part of the family!***
