2011 Annual Meeting
April 12-15
Westin Boston Waterfront - Boston, Massachusetts

RRA Session
Radiology Research Resident Symposium
Moderators: Robert F. Mattrey, MD
Donald P. Harrington, MD, MA
Learning Objectives:
1. Understand the various pathways for research training in radiology.
2. Learn and understand the motivation of residents who undertake a year of research training.
3. Explore and understand the range of ongoing resident research projects.

SCARD/RRA Plenary Session
Educating Future Researchers: Recruiting, Training, and Paying Radiology Clinician Scientists
Moderators: Valerie P. Jackson, MD
Donald P. Harrington, MD, MA
Faculty: Jonathan S. Lewin, MD
Robert F. Mattrey, MD
Belinda Seto, PhD
Learning Objectives:
1. Learn about timing and recruitment strategies in developing radiology clinician scientists.
2. Learn about the benefits and limitations of a variety of financial support mechanisms.

RAHSR/RRA Session
Health Services Researchers for the Era of Translational Imaging: Populating the Pipeline
Moderators: Dermot E. Malone, MD
Donald P. Harrington, MD, MA

Funding Sources for Translational Research
Robert F. Mattrey, MD

Designing a Hybrid Clinical Radiology/Molecular Imaging Fellowship: Structure, Content, and Goals
Mukesh G. Harisinghani, MD

Introduction to Imaging in Translational Research
Katarzyna J. Macura, MD, PhD

Learning Objectives:
1. Identify possible funding sources for translational research projects.
2. Develop a hybrid clinical radiology and molecular imaging fellowship, from setup to outcomes.
3. Describe the role of imaging as it relates to the arena of translational research.
