In Joint Providership with the Radiological Society of North America (RSNA®)
Dear Members of the AUR Community, Friends, and Guests:

Welcome to the 65th Annual Meeting of the Association of University Radiologists! The 2017 meeting will be held at The Diplomat Beach Resort in Hollywood, Florida.

The venue is located on the Atlantic Ocean beachfront in South Florida, only 10 minutes south of the Fort Lauderdale Airport and 20 minutes north of the Miami International Airport. You and your guests will enjoy beautiful sunrise views, sandy beaches, poolside bars, a relaxing spa, and might even play a round of championship golf or tennis at the The Diplomat Golf and Tennis Club. A short drive to Miami offers upscale restaurants and vibrant nightspots. The newly renovated hotel is a contemporary resort destination with luxurious meeting space and impeccable service.

The AUR Annual Meeting is a great place to share ideas and collaborate with colleagues. The theme for the 2017 meeting is “Leading Change and Bringing Value.” The program addresses how academic radiology communities lead the way in the rapidly changing health care environment and add value to patients and overall health care systems. The Program Committees of the Association of University Radiologists (AUR), the Society of Chairs of Academic Radiology Departments (SCARD), the Association of Program Directors in Radiology (APDR), the American Alliance of Academic Chief Residents in Radiology (A3CR2), the Alliance of Clinician–Educators in Radiology (ACER), the Alliance of Medical Student Educators in Radiology (AMSER), the Radiology Alliance for Health Services Research (RAHSR), the Radiology Research Alliance (RRA), the Society of Nuclear Medicine and Molecular Imaging (SNMMI), and the Association of Program Coordinators in Radiology (APCR) have worked together to create an outstanding program. The program content includes sessions on health care transformation, future radiology education, investigational and health services research, career development, and health system administration. We continue to offer the Research Scholar Program, AUR Radiology Management Program, AUR Faculty Development Program, and the AUR Radiology Resident Academic Leadership Development (ARRALD) Program.

The annual meeting is the best place for networking within the AUR community and special interest groups, as well as leaders from other societies. The meeting venue offers plenty of open spaces for us to connect with each other. The 2017 meeting is scheduled from Monday, May 8 to Thursday, May 11, 2017. I look forward to greeting all of you at the AUR Welcome Reception in The Diplomat’s South Palm Court. The meeting will close with the annual AUR Banquet and Awards Ceremony, honoring our colleagues who have made exceptional contributions to the academic radiology community.

Hollywood is a family-friendly beach destination. I encourage you to bring your spouse and children along with your hat, sunglasses, sunscreen, sandals and swimsuits. I look forward to welcoming you to our 65th Annual Meeting.

See you in Florida!

Warmest regards,

Yoshimi

President, AUR
CME Information
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Radiological Society of North America (RSNA) and the Association of University Radiologists (AUR). The RSNA is accredited by the ACCME to provide continuing medical education for physicians.

Designation Statement
The Radiological Society of North America designates this live activity for a maximum of 36.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Target Audience
Radiologists, researchers, or other allied health professionals, trainees, and administrators in academic radiology.

Learning Objectives
At the conclusion of this live activity, participants will be able to:

- Articulate strategies to lead academic departments into a value-based model of patient care
- Develop solutions to educate trainees in the changing practice of radiology
- Assess and discuss the latest innovations in radiology education
- Implement programs that improve recruitment and mentoring of researchers in radiology
- Identify collaborative solutions to challenges facing academic radiology
- Discuss strategies to recruit talented medical students to the radiology discipline
- Identify changes in clinical radiology practice, education, and research in response to changes in the payment model
- Implement social media and technology solutions in their practice to improve communication and networking
Self-Assessment Modules (SAMs)

Select courses at the AUR meeting will be available as SAM courses. Through RSNA, AUR is able to offer self-assessment modules that meet the American Board of Radiology’s criteria for a self-assessment activity in the ABR Maintenance of Certification program. In addition to AMA PRA Category 1 Credit™, participants can earn SAM credits for each completed SAM course.

**Fees:**
AUR Member: No Charge
AUR Non-member U.S. licensed physician: $50 per SAM

Non-Member registration and fees will be collected at the meeting.

SAM credit must be claimed within six months after the date of the live event.

Add Leadership to your Credentials: The Academy of Radiology Leadership and Management

The Academy of Radiology Leadership and Management (ARLM) is sponsored by five participating radiology education societies: AAARAD, ARRS, AUR, RSNA and SCARD. Launched in 2011, the ARLM helps medical imaging professionals focus their professional development by requiring completion of education across six different learning domains. ARLM awards a Certificate of Achievement upon completion.

Several AUR sessions will qualify toward certificate requirements. For additional information and to see a complete list of course offerings, visit Radleaders.org.

AUR Welcome Reception

Please join us on Tuesday evening from 6:30 to 8:30 PM at The Diplomat’s South Palm Court to enjoy beautiful ocean views while networking with colleagues. Attendees and their guests are invited to attend this popular event.
